Rick Martin
Radiant Floor Company
PO Box 666
Barton, VT 05822

Subject: ANSI/NSF-61

Dear Rick:

We are pleased to announce that your Dura-Poly XL Radiant Floor Company Heat Exchanger Tubing has been certified to the ANSI/NSF-61 Safety and Health Effects Standard by Underwriters Laboratories Inc.

The tubing will be marked accordingly with the addition of Underwriters Laboratories NSF-61 to the print stream.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Cumpston", written in a cursive style.

Martin Cumpston
